KAYAKERS
Lake Superior can be UNPREDICTABLE and HAZARDOUS

- Be alert to frequent weather changes. Plan your trip. Take a weather radio with you.
- Be prepared for fog. Always carry a compass.
- Be aware of present and changing wind and wave conditions.
- Cold water kills — temperatures of 20-50° F are common. Wet or dry suits are strongly recommended.

Sea kayaking experience and paddling with other kayakers recommended. Open canoes NOT RECOMMENDED on the Water Trail.

THE LAW REQUIRES:
- A Coast Guard approved wearable personal flotation device for each person.
- All watercraft must be licensed.
